***Journey to the West* is a mythological novel, telling the story of a Tang dynasty monk called Xuanzang (Mong Tang) who, under the order of the Tang emperor, went west on a pilgrimage for Buddhist scriptures with his three disciples Sun Wukong the Monkey King, Zhu Bajie the Pigsy and Monk Sha. During the journey, they defeated demons and monsters and experienced all kinds of ordeals.**

# The stories of Tiantian

- Level 1 stories each have 100-200 characters;
- Level 2 stories each have 300-500 characters;
- Level 3 stories each have 600-800 characters;
- Level 4 stories each have 1200-1600 characters.

- The Stories of Tiantian is a series of readers matching Textbooks 1-4 of Easy Steps to Chinese.

## Contents:

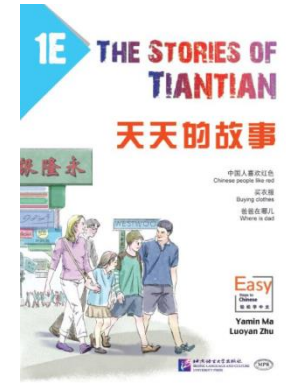

- For each of the four levels, there are five readers, each telling three stories, matching the three lessons in each unit of Easy Steps to Chinese.
- The readers aim to create a motivating environment, in which students can revise, practice and consolidate the vocabulary, sentence structures and language points they have learned from the textbook.

In the revised Curriculum, the Confucius Institute Headquarters/Hanban has adjusted the following aspects:

1. The hierarchical structure is adjusted to promote the integration of teaching and testing;
2. Practicability is highlighted and more examples are included;
3. Assessment is included and practical suggestions are provided;
4. Chinese teaching in different programs and different levels are considered. Local flexibility is encouraged;
5. The application of media resources is emphasized.

The background is a white, textured wall. On the left side, there is a vertical vine with small green leaves. On the right side, there is another vine with larger green leaves and some small yellow flowers. Scattered throughout the wall are several individual green leaves of various shapes and sizes, some appearing to be falling or floating. The overall aesthetic is clean, bright, and natural.

**05**

**Tests**

YCT (Youth Chinese Test), an international standardized test of Chinese language proficiency, assesses the abilities of non-Chinese speaking students in primary and middle schools to use Chinese in their daily and academic lives.

△Sound recording will be downloaded by scanning QR code on the first page of each examination paper.
